Military Branch:

Army

Years of Service:

1980-1981: Active Duty in Germany, serving as member on the Field Artillery Unit

1985-1991: Army Reserve in Duncan, OK, Service and Supply Unit

When asked why did you join the army, Ms. Jo shared that as a kid growing up, it was just the thing to do. She joined her school's JROTC for four years and attended college for a year before enlisting. Her family had a history of military service.

Her best Advice:

"For a kid who can't decide what they want to do in life, JUST DO IT! Best decision [she] ever made."

Honoring all who served
