A full time District employee who requests for-profit rental of District facilities under Category 5 shall be extended a discount for approved non-school use of District facilities. The District employee rental must support a Burleson ISD program. The employee may not use their employee status to represent another group or individual. The discount rate shall be calculated at a rate of **ten percent of the gross earnings**. To receive the discount, the employee must provide written documentation of the activity's actual earnings. Any fees associated with administrative oversight, technical oversight, custodial services, food services, or any other expense that may be incurred by the District as a result of the rental will require additional fees. If the employee does not provide the required documentation within the time frame established in the rental agreement, the employee will be charged the Category 5 fees as outlined in the fee schedule above.
