Adalee M	8/19		

Is your child's name on all of the things? Sippie Cups, Bottles, Lunch Boxes, Jackets, etc.

Meet the Teacher
Friday, August 2nd
2-4 pm

Johnny Applesseed Day

Thursday, Aug. 15th is our Johnny Applesseed Day. We will be doing lots of fun activities with apples: cutting, eating, doing art, reading stories, etc. We might even see a few pot hats, just like Johnny Applesseed, himself! (If your child has apple allergies, please remind your child's teacher.)

Beach Day

Thursday, August 22nd, will be our Beach Day. This is a fun way to celebrate the letter "B". Children can wear their swim suits but **won't get wet**. We will do some fun sand activities like games and crafts.

It will be fun at the Beach, our style, only **without** the beach water.

Book Day

Everyone is invited to bring their child's favorite book to share on Thursday, August 29th. No matter what age, they probably have a favorite book. Be sure your child's name is on the book!

Character Themes for September

1st Week Busy-ness (Not lazy)
 2nd Week Friendship

Medication

If you anticipate your child needing Tylenol, Motrin, Benadryl, etc., please bring a new, signed, Medication form. Thank you

Baby Pictures

Along with our letter "B", we are asking everyone to please send a baby picture of your child. We will talk about how much they have grown and how cute they were. Please send them anytime the week of the 19th-23rd. These pictures will be returned.

Lunches

Last year lunches were \$2.25. This year there might be a small increase. Also, new this year, you can purchase a larger size lunch as an option. No word on that cost, yet. We'll let everyone know when we find out. Please let us know before 9:00 AM each day. Please call us if you are going to be in after 9.
